

BRASSPOUNDER

February 2015
Issue 82

www.fists.co.uk

I'd like to welcome you to this Brasspounder.

The 2014 activity results will be published in Key Note. For 2015, we've been working on automating the results and the FISTS software now does most of the work. To an extent this issue of Brasspounder is experimental and my gratitude goes to Graham G3ZOD. Thanks! If you see any errors or omissions, please let Graham know: webmaster@fists.co.uk

In due course, the intention is to have the results available via the website too, including a "claimed scores" page.
