

## FISTS CW Club

The International Morse Preservation Society, founded in 1987 by the late George "Geo" Longden, G3ZQS

The FISTS CW Club promotes Morse code and facilitates friendship between members.

Whether you are a complete beginner or accomplished telegrapher, we welcome you. All we ask is that you have an interest in Morse.

We encourage the use of Morse whether it be sent using an antique mechanical Morse key, sophisticated modern electronic keyer or any other method.

### **Club Goals**
